## EDUCATION

- 2023 – 2028 **New York University (NYU)**  
PhD in Linguistics  
Advisor: Liina Pylkkänen
- 2021 – 2023 **Federal University of Rio de Janeiro (UFRJ)**  
MA in Linguistics  
Advisor: Aniela Imbrota França  
Thesis: Restaurant to restore? An EEG study on the neurophysiological path of diachrony in lexical access
- 2015 – 2020 **Federal University of Rio de Janeiro (UFRJ)**  
BA in Letters (Portuguese and French)  
Advisor: Aniela Imbrota França  
Thesis: Lexical access: specificities of the semantic and morphological routes
- Spring 2018 **Sorbonne University (Université Paris IV)**  
Undergraduate academic exchange

---

## RESEARCH POSITIONS

- Winter 2025 **Graduate Assistant** for Prof. Lucas Champollion, at NYU  
Tested the Lambda Calculator.
- Fall 2023 **Graduate Research Assistant** for Prof. Tal Linzen, at NYU  
Conducted eye-tracking experiments.
- May 2019 **Research Assistant** for Prof. Annie Kuyucumhan, at Université de Strasbourg  
Analyzed students' errors in written French to develop a teaching program and an AI teaching mentor.
- 2016 – 2017 **Research Assistant** for Prof. Andrew Nevins, at UFRJ  
Conducted psycholinguistic research on Brazilian Portuguese defective verbs and the allomorphy of the diminutives -inho/-zinho in proparoxytone words.
- 2012 – 2013 **School Guide & Research Assistant**, at MN/UFRJ (Brazilian National Museum of Natural History)  
Mediated school and touristic tours in the museum, developed scientific and educational research.
- Spring and Fall 2011 **Research Assistant** for Dr. Eduardo de Biase, at Colégio Pedro II  
Conducted sociological research on contemporary beauty standards.

## PRIZES

### Awards

- 2021 **Leipzig Lectures on Language Best Poster Presentation**, Max-Planck-Gesellschaft
- 2021, 2017 **Honorable mention for outstanding research communication**, UFRJ XLII & XXIX Acad. Weeks

### Fellowships

- 2026 **GSAS Dean's Conference Fund**, New York University (\$750)
- 2025 **GSAS Dean's Conference Fund**, New York University (\$500)
- 2023-2028 **Henry M. MacCracken Fellowship**, for a fully funded PhD position at New York University
- 2022-2023 **Nota 10 Master Fellowship**, FAPERJ (Carlos Chagas RJ Research Foundation - awarded to the best master student of the graduate program)
- 2021-2022 **Excellency Master Fellowship**, UFRJ/CAPES (Federal Coordination for Higher Educ. Research)
- 2017 **Teaching initiation Fellowship**, PIBID/CAPES (Federal Coordination for Higher Educ. Research)
- 2016 **Thomas Gardner Scholarship**, Oxford Royale Academy Summer School (not claimed)
- 2016 **Scientific Initiation Fellowship**, UFRJ/CNPq (National Council for Sci. & Tech. Develop.)
- 2012-2013 **Young Talents for Science Fellowship**, FAPERJ (Carlos Chagas RJ Research Foundation)
- 2012 **Colégio Pedro II 175<sup>th</sup> Anniversary Honor**, for contribution to the institution's distinction.

## TEACHING

### Undergraduate

- Spring 2026 **LING-UA 1: Language**, at NYU  
Teaching Assistant for Gary Thoms
- Fall 2025 **LING-UA 43: Neural Bases of Language**, at NYU  
Teaching Assistant for Liina Pytkäinen
- Spring 2025 **PSYCH-UA 1: Introduction to Psychology**, at NYU  
Course Assistant for Jay van Bavel
- Spring and Fall 2016 **LEF140: Foundations of Linguistics**, at UFRJ  
Teaching Assistant for all lecturing professors (Maria Cezário, Priscilla Marques, Adriana Martins, Diogo Pinheiro, and Maria Carlota Rosa)

### Middle and High School

- Spring 2020 **Portuguese Language and Composition**, at Colégio MOPI  
Teaching Assistant for all teachers
- Fall 2020 **Portuguese Language**, at Colégio Estadual Amaro Cavalcanti  
Teaching Assistant for Andrea Brum
- Fall 2020 **French Language, at Colégio de Aplicação da UFRJ**  
Teaching Assistant for Flávia Gomes and Catarina Gonçalves
- 2018 – 2019 **Portuguese Language and Brazilian Culture**, at Lycée Camille Sée (Colmar, France), Lycée Montaigne (Mulhouse, France) and Collège Kennedy (Mulhouse, France)  
Teaching Assistant for Marie Ferreira and Fernanda Da Silva-Heyberger

### Language Courses

- 2017 – 2020 **French Language (Basic to Advanced)**, at CLAC-UFRJ Language Courses for the Community  
Main instructor, advised by university professors
- Spring and Fall 2017 **French Language (Basic)**, at Colégio Estadual Amaro Cavalcanti  
Main instructor, advised by university professors

---

## MENTORSHIP

### Undergraduate students

- Fall 2026 **Saketh Donturaju**, Neural Science Major at NYU
- Spring 2026 **Xochitl Medina**, Linguistics & Korean Major at NYU

---

## ADDITIONAL TRAINING

- 2022 **Computational Neuroscience Course – NeuroMatch Academy (NMA)**, 3 weeks  
Project: *The flow of decision-making and task difficulty in mice: serial or parallel activation*
- 2021 **Eastern Generative Grammar Summer School**, 2 weeks

---

## SERVICE & OUTREACH

### Service positions

- 2026-2028 **Colloquium Committee, NYU**  
Organized colloquia talks at NYU.
- 2026 **Postdoctoral Search Committee, Neurolinguistics Lab (NeLLab), NYU**  
As a student member of the committee, participated in candidate evaluation and selection for a postdoctoral researcher, including review of application materials, attendance at job talks and discussion of candidates' research fit and qualifications.
- 2025-2026 **PhD Application Support Group (ASG), NYU Neuroscience**  
Provided mentorship to students looking to apply to NYU Psychology or Neuroscience PhD programs.
- 2024-2025 **LANYU Linguistics Association of NYU**  
Copresident: Served as the primary contact for graduate students in NYU's Linguistics department; Attended faculty meetings as the students' representative; Organized events, including the department's open house.
- 2021 **Committee for Academic Events - UFRJ Linguistics Graduate Program**  
Member: Organized all events hosted by the Graduate Program, including Colloquium Talks, yearly internal graduate students' seminar (SEPLA), and yearly professional developmental seminars.
- 2019 **Brazilian Linguistics Olympiad (Ye'pã-masa Edition)**  
Test corrector for short answer questions.
- 2018 **Maison 13 Solidaire,**  
Tutor: Helped immigrant elementary students with homework.
- 2016-2017 **Enactus UFRJ**  
HR representative and member of the projects *Teto Verde* (helping favela residents to build green roofs in order to lower thermic sensation) and *Citros* (helping favela residents to produce mosquito repellents so they could prevent dengue contraction). The primary motivation of both projects was to use knowledge built inside academia to improve the life of people in vulnerable positions.

### Reviewer

- 2025 **SYNC Conference – CUNY edition**, Abstract reviewer
- 2025 **Cognitive Science Society Annual Meeting**, Paper reviewer
- 2024 **SYNC Conference – NYU edition**, Abstract reviewer
- 2022 **InCognitus Seminar**, Abstract reviewer

### Organizer

- 2024 **SYNC** (Stony Brook, Yale, NYU & CUNY student-led linguistics conference) – NYU edition, Organizer
- 2022 **II Incognitus Seminar in Linguistics and Cognition** at UNICAMP, Organizer
- 2022 **ABERLING (Linguistics Graduate Program Yearly Opening Event)** at UFRJ, Organizer
- 2021 **III EAL (Open School in Linguistics)** at UFRJ, Organizer
- 2021 **SEPLA (Linguistics Graduate Program Yearly Conference)** at UFRJ, Organizer
- 2021 **Open Podium Seminar** at EGG (Eastern Generative Grammar Summer School), Organizer
- 2017 **TEDxUFRJ**, Organizer – Head of Talks' Curators
